8.2 The term "Teamsters' work" refers to persons performing certain job functions. It also refers to craft classifications. It does not refer to union membership or affiliation.

ARTICLE 9 SUBCONTRACTING

9.1 The Employer agrees it will not subcontract or otherwise transfer in whole or in part any work covered by this Agreement to be done at the site of the construction, alteration, painting or repair of a building, structure, or other work unless the person, firm, corporation or other business entity is signatory to this Agreement. The Employer agrees that a Teamster will be employed by the Employer or any contractor or subcontractor at the job site if there is work to be done coming under the jurisdiction of the Union agreement. The Union agrees that it will not take economic action to enforce this Article. In the event of any change in the present law, this clause will be renegotiated.

9.2 Whenever the Employer is obligated to satisfy MBE-WBE recruiting requirements the Union and the Employer by mutual agreement may waive this provision prior to commencement of the work in the event an employer and union are unable to find qualified union low bid minority subcontractors.

9.3 When potential union subcontractors are not available in the locality of the job site to perform the work and where the general contractor receives no union low bids by mutual agreement, the Employer and the Union may waive this provision.

The Employer will notify the Union within twenty-four (24) hours when they hire owner-operators.

ARTICLE 10 HOURS OF WORK - SHIFTS - OVERTIME

10.1 SINGLE SHIFT OPERATION:

(A) Eight (8) hours shall constitute a day's work, five (5) days shall constitute a week's work, Monday morning through Friday.

(B) A single shift operation shall be restricted to the hours between 6:00 a.m. and 6:00 p.m., and eight (8) hours of continuous employment (except for lunch period) shall constitute a day's work Monday through Friday of each week. In the event the job is down due to weather conditions, Monday through Friday, then Saturday may, at the option of the Employer, be worked as a voluntary make-up day at the straight time rate. Saturday shall not be used as a make-up day when a holiday falls on Friday.

(C) Four consecutive ten (10) hour shifts at the straight time rate may be established Monday through Thursday. In the event the job is down due to weather conditions or holiday, then Friday may, at the option of the Employer, be worked as a voluntary make-up day. On ten (10) hour shift schedules, all hours worked in excess of ten (10) hours a day must be compensated at the overtime rate. The Employer may change from a five-eight schedule to a four-ten, or vice versa, but must make the change at the beginning of the work week and maintain such shift for at least one week. At no time will a crew work a combination of eight (8) and ten (10) hour days in the same calendar week.

(D) No employee shall be discharged, laid off, disciplined, replaced or transferred for refusing to work a make-up day. Make-up days may only be worked if all of the basic crafts on the project are working at the straight time rate.

(E) In the event of a civil emergency such as, but not limited to, earthquakes, floods, or fires, starting time of the shift may be made to fit the emergency and eight (8) hours in any twenty-four (24) hour period may be worked at straight time. In order to work such shift, mutual agreement shall be received.

(F) When due to conditions beyond the control of the Employer or when contract specifications require that work can only be performed outside the regular day shift, then a special shift may be worked at the straight time rate. The starting time of work will be arranged to fit such conditions of work. Such shift shall consist of eight (8) hours' work for eight (8) hours' pay. The Employer must give the Union notification prior to the start of a special shift.

10.2 MULTIPLE SHIFT OPERATION: Shifts may be established when considered necessary by the Employer. Shift hours and rates will be as follows:

(A) **TWO SHIFT OPERATION:** On a two consecutive shift operation, no shift penalty is involved for work performed on either of these two shifts. Each shift must be scheduled for at least eight (8) hours except as provided for in Section 1 of this Article. On a two shift operation, the second shift shall be established for a minimum of three (3) days.

Once the starting times are established for the two shift operation, they shall not be changed except upon three (3) working days' written notice to the Union.

(B) **THREE SHIFT OPERATION:** On a three shift operation, the following shall apply:

FIRST SHIFT: The regular hours of work on the first shift of three shift operations shall be eight (8) hours of continuous employment, except for lunch period at midshift, between the hours of 6:00 a.m. and 6:00 p.m.

SECOND SHIFT: The second shift shall be seven and one-half (7 ½) hours of continuous employment, except for lunch period at midshift, and shall be paid for at eight (8) hours at the straight time hourly rate.

THIRD SHIFT: The third shift shall consist of seven (7) consecutive hours of employment, except for lunch period at midshift, and shall be paid for at eight (8) hours at the straight time hourly rate.

(C) **MULTIPLE SHIFT (a two or three shift) OPERATION** will not be construed on the entire project if at any time it is deemed advisable and necessary for the Employer to multiple shift a specific operation. Those groups of employees only who relieve first shift groups of employees and such first shift groups of employees who are relieved by groups of employees on a second shift, and on a three shift operation those groups of employees who relieve the groups of employees on a second shift, shall be construed as working multiple shifts. The intent of this clause shall be construed so as to recognize that a "reliever group" and a "relief group" does not necessarily mean "man for man" relief.

(D) It is understood and agreed that when the first shift of a multiple shift (a two or three shift) operation is started at the basic straight time rate or at a specific overtime rate, all shifts of that day's operation shall be completed at that rate.

10.3 GENERAL PROVISIONS:

(A) **CALL OUT.** When an employee has completed his scheduled shift and is specifically "called out" by the Employer to perform special work of a casual, incidental or irregular nature, he shall receive premium pay in accordance with the proper overtime rates with a guarantee of two (2) hours.

(B) **PAVING OPERATIONS.** To take full advantage of weather conditions, starting time of operations for the paving of asphalt paving, road oiling and concrete paving will be at the option of the Employer. However, standby time will be considered as part of the regular operation and will be paid for at the regular rate.

(C) **MAINTENANCE (EXCLUDING EQUIPMENT REPAIR), WATCHMEN, FLAGMEN.** When no other work is in progress and it is necessary to keep maintenance men, watchmen or flagmen on duty on Saturdays and Sundays, they will be paid at straight time rates, but allowed two (2) regular consecutive days off each week. If these men work more than five (5) consecutive days in any one week, the sixth (6th) day shall be paid for at time and one-half (1 ½) the basic rate and the seventh (7th) day shall be paid for at double (2x) the basic rate.

10.4 **OVERTIME:** Work performed in excess of eight (8) hours per day Monday through Friday or ten (10) hours per day, Monday through Thursday, when four ten (10) hour shifts are established, or outside the established shift, and all work on Saturdays, or Fridays when four ten (10) hour shifts are established, except for makeup days, shall be paid at time and one-half (1 ½) the straight time rate. All work performed on Sundays and holidays shall be paid at double (2x) the straight time rate of pay. The Employer shall have the sole discretion to assign overtime work to employees. Primary consideration for overtime work shall be given to employees regularly assigned to the work to be performed on overtime situations.

ARTICLE 11 LUNCH AND REST PERIODS

11.1 Lunch will be approximately mid-shift. (See Article 10 for shift definitions). Lunch will be no less than one-half (1/2) hour and no more than one (1) hour.

11.2 **FIRST HALF SHIFT - LUNCH PERIOD:** The Employer will endeavor to provide an employee a thirty (30) minute lunch period to eat in the first half of the shift. If work dictates that this designated thirty (30) minute lunch period cannot be utilized, the thirty (30) minute designated lunch period of time shall be counted as time worked for the day.

11.3 **SECOND HALF SHIFT - LUNCH BREAK:** All employees must be given time to eat after five (5) consecutive hours of work in the second half of the shift. If the employee does not get time to eat after five (5) consecutive hours in the second half of the shift, 30 minutes at the overtime rate shall be added to the employee's hours worked.

11.4 **REST PERIODS:**

(A) The nature of the construction work covered by this Agreement allows intermittent rest periods. Employers shall provide such intermittent rest periods as work follow permits, equivalent to ten (10) minutes for each four (4) hours worked. Scheduled rest periods are not required.

(B) Such intermittent rest periods shall be taken on the work site. It will be the responsibility of each employee to take such intermittent rest periods. If an employee does not take a rest period, then the employee must notify his supervisor and a rest period will be provided.

ARTICLE 12 HOLIDAYS

12.1 Holidays recognized under this Agreement shall be as follows: **NEW YEAR'S DAY, MEMORIAL DAY, INDEPENDENCE DAY, LABOR DAY, THANKSGIVING DAY AND FRIDAY AND SATURDAY FOLLOWING, and CHRISTMAS DAY.** Should any of these holidays fall on a Saturday, the previous Friday shall be a holiday, and should any of these holidays fall on a Sunday, the following Monday shall be considered a legal holiday and observed as such. A holiday shall be the twenty-four (24) hour period commencing with the starting time of the first shift on the day of the holiday. No work shall be performed on Labor Day except to save life or property. Work on any of the holidays specified herein will be paid at double (2x) the regular straight time rate per hour. In reference to Independence Day, by mutual agreement, the day observed may be changed.

**ARTICLE 13
PAY DAY**

13.1 Employees shall be paid in full on company time on the job site, by mail or by direct deposit to the employee's account at a financial institution once a week; swing shift, graveyard shift and daylight second shift employees will be paid by the end of Thursday's shift, day shift employees will be paid by the end of Friday's shift, following the previous weekly payroll period unless otherwise mutually agreed upon between the Union and Employer. When an employee cannot be paid accordingly because of a holiday, he shall be paid the last work day of the job before the holiday.

13.2 When an employee voluntarily quits or is terminated for cause, he shall be paid at the next regular pay day.

13.3 When employees are laid off or discharged, they shall be paid in full immediately or by check within forty-eight (48) hours.

13.4 If an employee is not paid in accordance with 13.1, 13.2, or 13.3, he shall receive two (2) hours pay for each 24-hour period or portion thereof, thereafter until said check is mailed to an address of the employee's choice or directly deposited to the employee's account. The postmark on the envelope will determine if the check was mailed timely or the transaction date on the employee's financial institution account will serve as the cutoff for any penalty. Saturdays, Sundays, and recognized holidays are excluded from the 24-hour period for determining penalty. Employees must notify the Union within 72 hours after the payday, layoff or discharge to be eligible for penalty pay.

13.5 Excluding weather and equipment breakdown, employees required to standby for more than forty-eight (48) hours have the option of standing by or signing the out-of-work list and having notified the company of the latter option is then eligible for payoff on the first payday after the layoff.

13.6 Payment shall be made by cash or check upon which there is no charge for exchange or direct deposit. No adjustment of disputed pay will be made unless the employee or the Union shall make a claim in writing to the Employer's representative within 15 days from the pay period in question.

13.7 Payroll checks and stubs shall indicate company name, straight time hours, overtime hours, rate of pay, itemized legal deductions, to include dues check-off and credit union, plus allowances if applicable. In the event an employee receives an N. S. F. check, thereafter all payments shall be made by cash or certified check and he shall be considered not paid timely and shall receive eight (8) hours pay for every 24-hour period thereafter until he receives cash or certified check in full payment. Documented bank errors will be exempt from the initiation of eight (8) hour penalty. Payroll stubs for those employees choosing direct payroll deposit shall be delivered in accordance with the procedures in Section 13.1.

13.8 The availability of direct payroll deposit is at the option of the employer. Each employee choosing it must sign an authorization before it can be started. No employee shall be discharged, laid off, disciplined, replaced, transferred or have any other adverse action taken against him/her for refusing to use the direct payroll deposit option.

**ARTICLE 14

14.1 **Union Representatives on Jobs:** The Union representatives shall have access to all places where employees covered by this Agreement are employed, and transportation will be supplied where necessary.

14.2 **Shop and Job Steward Rules:**

1) Shop and Job Stewards shall be appointed by their respective unions. Upon appointment, the Union shall identify the Steward to the Employer or his representative in writing.

- 8) Before a Steward can be terminated, or transferred from a job or shift the Employer or his representative shall give the union 48 hours notice.
- 9) When forces must be reduced, the Steward shall be given preferential treatment and be retained over other journeymen providing the Steward can do the work involved; except the last (name union employee) on the job may be the Foreman.
- 10) There shall be allowed one Steward on each shift on each job per contractor unless the distance between the work areas is so great that one Steward cannot police the work; then two (2) Stewards shall be allowed.

ARTICLE 15 SETTLEMENT OF DISPUTES & GRIEVANCES

15.1 It is mutually agreed that there shall be no authorized strikes, lockouts, or other slowdowns or cessation of work by either party on account of any labor differences pending the utilization of the grievance machinery as set forth below, provided that employees covered by this Agreement shall not be expected to pass through a duly authorized picket line.

15.2 Failure of an Employer to make wage, travel and/or zone pay differential, penalty pay, or other negotiated fringe payments as outlined in this Agreement, is a violation of this Agreement and not subject to Grievance Procedure as outlined below. In the event of violation and after forty-eight (48) hour notice to the Employer, the Union shall have the right to take economic action against such Employer to collect such monies owed.

15.3 In the event that a dispute or grievance over the interpretation of this Agreement other than jurisdictional or as otherwise called for in this Agreement occurs, no such grievance shall be recognized unless called to the attention of the Employer by the Union or to the attention of the Union by the Employer in writing or postmarked within fifteen (15) days after the alleged violation was committed. 15.6 **STEP II:** If the dispute or grievance remains unsettled after the foregoing procedures, it shall immediately be reduced to writing and referred to the Union Negotiating Committee and the AGC Negotiating Committee for resolution.

15.7 **STEP III:** Should the Union Negotiating Committee fail to settle the matter within three (3) days after written notification of the dispute (Saturdays, Sundays and holidays excluded) said dispute shall then be referred to binding arbitration within forty-eight (48) hours. An impartial arbitrator shall be selected from a panel of names of persons submitted by the Federal Mediation and Conciliation Service. The Union and the Employer shall alternately remove names from this panel and the remaining name on the panel shall be the arbitrator. The decision of the arbitrator shall be within the scope and limited to the interpretation of this Agreement upon the points of issue as stipulated and shall be final and binding upon the parties. The arbitrator shall promptly render a decision, but not later than 30 days. Expense of employing said impartial arbitrator shall be paid equally by both parties.

15.8 It is further understood that the grievance machinery above set forth shall not be used for the purpose of arriving at an agreement to supersede this Agreement.

ARTICLE 16 JURISDICTIONAL DISPUTES

16.1 The parties agree that there will be no cessation or stoppage of work because of jurisdictional disputes pending settlement by the following outlined procedures.

16.2 The Employer who has the responsibility for the performance and installation shall make a specific assignment of the work as follows:

16.3 All jurisdictional disputes between or among building and construction trades unions and employers shall be settled and adjusted according to the present plan established by the Building and Construction Trades Department or any other plan or method of procedure that may be adopted in the future by the Building and Construction Trades Department. Decisions rendered shall be final, binding and conclusive on the employer and unions.

(A) Where a decision of record applies to the disputed work or where an agreement of record between the disputing trades applies to the disputed work, the Employer shall assign the work in accordance with such agreement or decision of record. Decisions of record are applicable to all trades. Agreements of record are applicable only to the parties signatory to such agreements. Where no decision or agreement applies to the work, the Employer shall assign the disputed work in accordance with the prevailing practice in the locality. The locality for the purpose of determining the prevailing practice shall be defined ordinarily to mean the geographical jurisdiction of the local Building and Construction Trades Council in which the project is located.

16.4 (B) If the disputed work cannot be satisfactorily settled between the local unions and the employer, the local unions shall promptly submit the dispute to the International Unions who shall meet with the Employer to review the issues and settle the dispute.

16.5 When requested to do so, Employers covered by this Agreement agree to furnish within 48 hours to the District Councils and Local Unions, statements of their past and present practices pertaining to work on which there is or may be a pending dispute. Such statements shall be written on the individual employer's letterhead.

16.6 It will be a violation of the Agreement by the Employer or by the Union if the Employer or the Union fails to abide by the decision reached under this procedure or by an arbiter or decision of record.

16.7 Craft jurisdiction is neither determined nor awarded by classification and/or scope of work appearing in this labor agreement.

Consistent with these goals, the Employer prohibits the use, possession, distribution or sale, at its employment sites, of drugs, drug paraphernalia or alcohol. A program of urine testing, pursuant to the Substance Abuse Program, may be instituted, upon mutual consent of labor and management which consent shall not unreasonably be withheld, to monitor compliance with this policy.

28.4 If the Employer is compelled to hire employees directly from the TERO, the Union will be provided the opportunity to recruit each employee so hired for Union membership. If any employee hired directly from the TERO declines Union membership and completes a waiver of fringe contributions and benefits supplied by the Union, the Employer shall be exempt from making said fringe benefit contributions on behalf of the employee and shall pay the equivalent amount directly to the employee. Each applicant for employment shall be required to furnish such data, records, names of employers and the length of employment and licenses as may be deemed necessary; and each applicant shall complete such forms of registration as shall be submitted to the applicant. Applicants for employment shall also list any special skills they may possess.

SECTION 5. (A) Upon request of an Employer for employees, the Union shall refer qualified and competent registrants to that Employer in sufficient number required by the Employer in the manner and under the conditions specified in this Agreement from the list in the following order of referral.

If an emergency or if the Union office is closed, the Employer is allowed to call to work an employee if the employee has worked for the Employer during the preceding two (2) years and if the Employer contacts the Union office and requests the employee by 2:00 p.m. of the next day that the union office is open.

1) Qualified applicants shall be referred from List "A" in successive order as their names appear on the out-of-work list.

2) Then qualified applicants from List "B" in successive order as their names appear on the out-of-work list, and when List "B" of qualified applicants has been exhausted;

3) Then qualified applicants from List "C" in successive order as their names appear on the out-of-work list, and when List "C" applicants has been exhausted,

4) Then qualified applicants from List "D" in successive order as their names appear on the out-of-work list, except that requests by employers for college students shall be honored without regard to the requested man's place on the out-of-work list in List "D".

5) The Union has the right to select the first person to be dispatched to any Employer regardless as to their place on "A" List who shall be the Union steward, except the contractor may recall any "A" Lister after the first dispatch and/or a former employee.

(B) Any applicant who is rejected by the Employer shall be restored to the applicant's place on the list. When a registrant is referred for employment, and is on a job for more than fifteen (15) calendar days, or quits before fifteen (15) calendar days when work is still available, such registrant's name shall be removed from the list for fifteen (15) calendar days or the remainder of the month, whichever is greater. When registrant's employment terminates, registrant shall be registered at the bottom of the appropriate group list on which registrant is entitled to be registered. If a registrant, upon being referred for employment, in regular order, refuses to accept the employment, such registrant's name shall be placed at the bottom of the group list on which registrant is registered. If a registrant upon being referred for employment is discharged or laid off because of incompetence, the registrant will lose the right to be referred on the piece of equipment or classification they were dispatched on until they requalify through the training program or are allowed to re-qualify on a job.

(C) In the event that the referral facilities maintained by the Union are unable to fill the requisition of an Employer for employees within a forty-eight (48) hour period after such requisition is made by the Employer (Saturdays, Sundays, and holidays excepted), the Employer may employ applicants directly on the job site. In such event, the Employer will notify the Union of the names and dates of such hiring within forty-eight (48) hours of such hiring.

(D) The referral procedure as contained herein shall be followed except that:

1) Requests by the Employers for the first supervision will be recognized if the applicant is registered on the hiring hall list and who has worked for the Employer within the last three (3) years. Additional supervisors shall be requested from the "A" list. An applicant dispatched as supervisor must, in fact, work in that capacity and be paid as such so long as there is one other Teamster employee retained on the Employer's payroll.

2) Requests by Employers for a particular employee previously employed, as a Teamster, by the Employer's within the geographic area of this Agreement, shall be honored without regard to the requested registrant's place on the A & B Lists, in accordance with Section 3 (e), and

3) Bonafide requests by the Employers for Teamsters with special skills and abilities will be honored. The dispatcher shall refer persons possessing such skills and abilities in the order in which their names appear on the out-of-work list; provided, further, however, that any dispute arising as a result of such requests may be referred to the Joint Hiring Committee in accordance with the provisions of Section 7. A decision of the dispatching agent in referring registrants is appealable to the Joint Hiring Committee as herein provided.

(E) Where Employers engage in a joint venture, employees employed by any of the joint ventures may be transferred to the job, or called for by name, if the requirements of A, B, C, or D of the above have been met by any of the joint ventures.

(F) If an Employer controls, or holds common ownership of separate corporations, the Employer is considered the Employer for the purpose of transferring employees to and from such corporation payrolls.

(G) The Association and the contractor members of the Association, and the Union and the individual members of the Union hereby agree that they will not discriminate against any employee, registrant, or applicant for employment because of age, race, creed, color or national origin.

The parties hereto will take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their age, race, creed, color, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

The parties hereto further agree that should any Federal or State law or order require that special consideration be given any group of citizens, then for that job the Hiring Procedures will be altered in whatever manner is required to meet such law or order so that the contractor may not suffer loss of contract or right to bid on such work.

The Union shall be notified prior to the application of this section and the parties shall meet and mutually agree on the alterations necessary to comply with Federal or State regulations.

SECTION 6. The Employers agree to continue to recognize the Union as the sole and exclusive collective bargaining representative of employees over whom the Union has jurisdiction subject to rights of employees prescribed in Section 9 (A) of the Labor-Management Relations Act, as amended.

(A) Selection of applicants for referral to jobs shall be on a non-discriminatory basis and shall not be based on, or in any way affected by, union membership, by-laws, regulations, constitutional provisions, or any other aspect of, or obligation of union membership, policies or requirements, or discrimination because of race, color, creed, or other State or Federal requirement.

(B) The Employer retains the right to reject any job applicant referred by the Union for just cause. Such rejection shall be in writing to the Union stating the nature (reason) for such rejection.

(C) The Union and the Employer shall post, in places where notices to all employees and applicants for employment are customarily posted, all provisions relating to the functioning of the hiring provisions of this Agreement.

(D) Whenever an employee is discharged without notice to the Union in writing, the employee shall be considered eligible for rehire.

(E) Employees may only be discharged for just cause.

SECTION 7. The parties to this Agreement shall create a Joint Hiring Committee, composed of an equal number of Employer and Union Representatives to supervise and control the operation of the job referral system herein. The Joint Hiring Committee is empowered:

(A) To establish any and all rules and regulations from time to time that it deems advisable for the operation of the job referral plan.

(B) To hear and determine any and all disputes or grievances arising out of work registrants, work referrals and preparation of the referral registration lists. Any applicant or registrant shall have a right to appeal any dispute or grievance arising out of and relating to the operation or functioning of the job referral plan to the Joint Hiring Committee.

The Joint Hiring Committee shall provide the rules and regulations of the job referral for an appeal to an impartial umpire whenever the Joint Hiring Committee reaches a deadlock over a dispute. The impartial umpire shall be designated by mutual agreement of the parties. The authority of the impartial umpire shall be limited to interpreting and applying the rules and regulations of the Joint Hiring Committee only, and the decision of the impartial umpire shall be final, binding and conclusive on all parties including applicants.

If any questions arise as to the qualifications and competency of an applicant, the Joint Hiring Committee shall make determination. Such determination shall be fair and impartial without regard to applicant's membership or non-membership in the Union.

SECTION 8. Each local Union signatory to this Agreement shall maintain its own individual hiring hall list as provided for in this Agreement. Each local Union is specifically authorized to incorporate the hiring hall list maintained under this Agreement with any other hiring hall list maintained by the Union for construction work.

LETTER OF UNDERSTANDING

This Letter of Understanding, herein LOU, is entered into by and between the Inland Northwest AGC and Teamsters Local Union No. 690. The purpose of this LOU is to clarify the intent of Schedule D #5:

- 5 An A List Teamster, who is registered on the Out Of Work List and eligible for dispatch, may directly solicit work and be hired by an Employer, however, the Employer and/or the member must report such hiring to the Union by the end of the first (1st) paid day of work. If the Employer and/or the member fail to report the member being hired the member will be removed from the job and will be ineligible to be hired by that Employer for a period of thirty (30) calendar days.*

It is agreed by and between the parties the intent of this language is that only an "A" List Teamster may directly solicit work and be directly hired by an employer if;

- 1 The "A" List Teamster is registered on the "Out of Work List
- 2 The "A" List Teamster is eligible for dispatch
- 3 The "A" List Teamster and/or the Employer must report such hiring by the end of the first paid day of work, thereby receiving a valid dispatch from the Hall

LETTER OF UNDERSTANDING

This Letter of Understanding, herein LOU, is entered into by and between the Inland Northwest AGC and Teamsters Local Union No. 690. The purpose of this LOU is to determine when the negotiated wage rates of Schedule A-1, the Pasco Zone Center, will go into effect. It is agreed by both parties that the wages defined in Schedule A-1 will be in effect, only, when the wage and benefit rates in the counties designated in Schedule A-1 are published by the Dept of Labor as the "Prevailed Rates" for those counties.

If the rates, in those counties, are not published as the "Prevailed Rates" for those counties by the Department of Labor then the rates in those counties will be the same rates as negotiated in the Collective Bargaining Agreement for Schedule A, Wages.
