This will be the last Spokane fundraiser for Rob this year. Beginning November 28, Rob will be prohibited from raising any money because of the legislative session fundraising freeze, but his opponent will continue to raise money during this time. Recent independent polls show Rob is leading the race for Governor 46% to 39%, but we need to keep working hard – all the way to election day! Please plan to attend this event and make sure Rob's campaign has the resources to get out his positive message to the voters of Washington.

Contributions are not deductible for federal income tax purposes. Contributions limited to \$3,200 per person, company or PAC.

Contributions from companies not doing business in the state of Washington are prohibited by law.

Paid for by Friends of Rob McKenna (R) • PO Box 52866 - Bellevue, WA 98015-2866 • www.RobMcKenna.org
